

TERMS AND CONDITIONS

Copyright

The ACEPLAB site is copyright protected and its content, design, layout, databases or graphics shall not be reproduced, stored in any form or by any means including but not limited to electronic, paper, mechanical, photocopying, recording, or broadcasting, nor shall the site be shown in a public gathering. You may only use the material available for your own personal non-commercial home use provided that it is not changed and copyright notices remain; ACEPLAB retains the intellectual property rights on all material from their website. You shall not create any derivative work or make any other adaptation, without our prior written consent.

Privacy Policy

Here at ACEPLAB we endeavour to protect your personal information with the highest levels of data privacy and security. Online payment security is important to you and it's important to us. ACEPLAB does not store your credit card details. We accept the main payment methods such as PayPal/Amex/MasterCard/Visa

We have a policy of limiting e-mail communication to a minimum, but reserve the right to send a subscriber an e-mail under the following circumstances

- to welcome new subscribers
- to answer specific queries about the site (including reminding a user of their password)
- to answer specific queries regarding a question

We may also e-mail periodically to inform you of products and services offered by ACEPLAB and related companies. Your details will not be shared with 3rd parties without your prior authorisation. If at any time you would like to stop such communication then please inform us at help@aceplab.com. We reserve the right to collect your average score in anonymously to allow subscribers to assess their progress in comparison to other subscribers.

If ACEPLAB believes that your use of the site is unlawful or damaging to other users, we reserve the right to disclose the information obtained about you to the extent that it is reasonably necessary in our opinion to remedy the situation and prevent such conduct continuing

Your IP address may be stored and used to help identify you and to gather broad demographic information about you for statistical purposes. We may also use your IP address in helping to diagnose problems with our server. Your IP address may also be used to assist in the detection of fraud and we may pass this information to the police
